

# Parking - Mechanical Locks

Unattended multi-space and single space parking meters make tempting targets for would be thieves. That's why Medeco® is the best choice to guard your parking revenues. As with all Medeco 60 series products, Medeco parking cylinders utilize hardened stainless steel inserts throughout the lock to provide the ultimate defense against drilling, pulling, and other forms of physical attack, all too common in the parking world. With patented key programs to prevent unauthorized key duplication, Medeco cylinders protect against illicit access to your parking profits. Medeco high security lock cylinders can retrofit into a number of MacKay, Duncan, and POM single and duplex housings (Some doors may require modification to accept cylinder), as well as a number of multi-space stations.

The Medeco<sup>3</sup> unique design provides triple locking action, making the locks virtually pick proof. All Medeco<sup>3</sup> keys and locks are protected under patent, trademark, and copyright laws. Medeco<sup>3</sup> keys may only be duplicated by Medeco or by an authorized Medeco Service Center, and only at your request.

## Benefits:

- ▼ All Medeco cylinders constructed of durable machined brass components, designed to last the life of your parking equipment.
- ▼ Hardened stainless steel inserts protect cylinder from drilling, and other forms of physical attack.
- ▼ Unique elevating and rotating tumbler pin system is virtually pick proof.
- ▼ Patented Medeco<sup>3</sup> keys may only be duplicated by Medeco or authorized Medeco Service Center, and only at your request.
- ▼ Medeco cylinders are completely serviceable, and can be re-keyed in case of lost or stolen keys.

## Applications:

Used in both service and vault door applications for MacKay, Duncan, or POM models. Some applications may require vault door modification.

## Warranty:

Warranted for two years against manufacturer's defects. See Medeco limited Warranty for full details.

## Certification:

UL® 437 Listed.

## Technical Information:

Cylinders available in either three, four, or five pin models, depending on application. Sample door and lock recommended to ensure proper fit and function. Some vault doors may require modification to receive Medeco cylinder.

## Finishes:

26 brushed chrome finish is standard. Other finishes may be available depending on volume.
